

CHAPTER IV CONCLUSION

Based on the research problems in the first chapter and the research findings of the data description and analyses in the third chapter, some conclusions can be drawn. To begin with,

The writer concludes that connotative meanings only lies on some words of Maher Zayn's , which is the main data of this study. From the analysis in the third chapter, the researcher finds the general message of the song lyrics of Maher Zayn's that contains connotative meaning are people should construct good relation with others, and virtuous relation to Allah

From the finding writer found connotative meaning occurs in partial of the lyric, and the denotative meaning occurs in majority of the lyric. The message of the lyric is delivered by Maher Zain in a good structure by using positive connotative meaning. The connotation used in the songs lyrics are to potray images and build certain atmospheres. The connotation found in the song lyrics play an important role in creating particular senses and delivering the messages.

The researcher suggests the next researchers conduct a research in Semantics field by using different object of the study such as advertisements or magazines. Also, different theory may be used as well in order to get more understanding about connotative meaning.
