 <p> The Analysis Of Disclosure On Management Approach Of Environmental Category In Sustainability Report Based On Global Reporting Initiative (GRI)-G4 Guidelines (Case Study at PT. ANTAM Tbk.) </p> <p> Thesis By : Risma Eka Novinta Wulandari Thesis Advisor : Drs. Riwayadi, MBA, Ak,CA,CSRS </p> <p> ABSTRACT </p> <p> This study aims to analyze the material aspects of environmental category in Specific Standards Disclosure about Guidance for Disclosures on Management Approach (DMA) in accordance with Sustainability Reporting Guidelines (Global Reporting Initiative–4) of PT. Aneka Tambang’s 2014 Sustainability Report. DMA is intended to give the organization an opportunity to explain how environmental impacts related to material aspects are managed. DMA provides narrative information on how an company identifies, analyzes, and responds to its actual and potential impacts. </p> <p> This study is a qualitative research that uses secondary data obtained through the official website of PT. Aneka Tambang and uses documentation as a method of data collection. The results showed that the DMA disclosures for Environmental Category disclosed in the 2014 Sustainability Report of PT. Aneka Tambang Tbk. have not fully in accordance with the GRI-G4, because not every items required by GRI-G4 is included in DMA disclosure. </p> <p> Keyword: <i>Sustainable Development, Corporate Social Responsibility, Sustainable Reporting, Global Reporting Initiative.</i> </p>
