ABSTRACT

This research attempts to analyze the influence of NGO Monitor to stop the cooperation between Guard4Security (G4S) and Israeli Prison Service (IPS). Through the collective action theory, will focus on NGO Monitor movement pattern and strategy to achieve its objectives. The methodology used is qualitative descriptive by using secondary data. To achieve their objectives, NGO Monitor collecting support from the other NGO, international institutions, university and especially from United Nations (UN). The supporting is anti-G4S, it could have an effect on the termination of cooperation between G4S and IPS. The influence resulting from the activity of NGO Monitor marked by a policy change and a change in public attitude, that violations of International Law and Human Rights that occurred during this cooperation can be stopped.

Key words: NGO Monitor, Guard4Security (G4S), Israeli Prison Service (IPS).
