

## CHAPTER IV

### CONCLUSION

Deixis means pointing or indicating something directly by using language. Deixis is divided into three categories, they are; person deixis, place deixis and time deixis. Person deixis consists of three categories. They are first person deixis, second person deixis, and third person deixis.

In daily life, so many language phenomena show the use of deixis. The use of deixis also found in a movie. In this research the writer finds the referent of person deixis used by the main character in the movie depends of the context of dialogue. The same person deixis does not always refer to the same person. The writer also finds that the main character has his own language style in using deixis.

The writer found out 14 types of person deixis used by the main character in *The Haeful Eight* movie. They are deictic word 'I', 'my', 'me', 'we', 'you' (plural and sigular), 'your', 'yourself', 'she', 'he', 'her', 'him', 'them', 'they', and 'theirself'. Of 53 data the writer found that 'I' occured 6 times, 'my' occured 2 times, 'me' occured 5 times, 'we' occured 3 times, 'you' occured 12 times, 'your' occured 4 times, 'yourself' occured 1 time, 'she' occured 1 time, 'he' occured 2 times, 'her' occured 4 times, 'him' occured 4 times, 'them' occured 5 times, 'they' occured 2 times, 'theirself' occured 1 time. From all types of person deixis the writer found that the most frequent person deixis used by the main character in this movie is deictic word 'you' because Marquis Warren as the main character tends to appoint the speaker.

All the type of person deixis used by the main character are to appoint himself as speaker, the hearer, the people outside of the dialogue. To appoint himself as the

first person the main character uses deictic word 'I', 'me', 'my'. Meanwhile, to appoint himself and the hearer the main character uses deictic word 'we' inclusive. It is categorized into first person plural deixis. The main character uses deictic word 'your', 'you' as plural and 'you' as singular are to appoint second person deixis. Deictic word 'you' as singular is used to refer to one person or the hearer. Deictic word 'you' as plural is used to appoint the hearers who are more than one person. It is categorized into second person plural deixis. To appoint the third person outside of the conversation, the main character uses deictic word 'them', 'they', 'themselves', 'their', 'she', 'he', 'him', 'her', and 'his'. Deictic word 'he', 'she', 'her', 'him', and 'his' refer to the third singular person deixis. Whereas, deictic word 'them', 'they', 'their', and 'themselves' refer to the third plural person deixis.

The analysis of this research shows person deixis used by the main character in *The Hateful Eight* movie does not always refer to the same person. It depends on the context and situation. The viewers must know the context and situation in order to understand the reference of person deixis used by the main character.
