This research is a quantitative research by distributing questionnaires involving 100 respondents of motor vehicle taxpayers in South Solok Regency. From the results of this study, the variables of taxpayer awareness, tax knowledge, tax sanctions, and service quality have a positive effect on motor vehicle taxpayer compliance. This study contributes as a guideline for future research. This research can provide information in the development of more effective and targeted tax policies by the government and can also provide knowledge for the public to have a more positive and in-depth view of their contribution in supporting regional progress and common welfare.</i></p> <p>Keywords: <i>Taxpayer Awareness, Tax Knowledge, Tax Sanctions, Service Quality, vehicle taxpayer compliance</i></p>
