**ABSTRAK**

Hak untuk hidup adalah hak fundamental dan bersifat *non-derogable* yang harus dijamin dan dilindungi oleh Negara. Pelanggaran hak ini terjadi pada kasus pembunuhan Hardeep Singh Nijjar di Kanada pada tahun 2023. Hardeep Singh Nijjar merupakan seorang warga negara Kanada sekaligus Ketua Sikh di Kanada, ia ditembak mati oleh dua pria berkewarganegaraan India di British Columbia, Kanada. Berdasarkan penyelidikan dari kepolisian Kanada, terdapat dugaan bahwa pemerintah India turut terlibat dalam aksi pembunuhan ini. Dugaan keterlibatan Pemerintah India dalam tindakan yang berpotensi dikualifikasikan sebagai *extrajudicial killing* ini semakin jelas dengan kemunculan dokumen dakwaan Departemen Kehakiman Amerika Serikat (AS) terkait rencana pembunuhan tokoh Sikh di AS, yang menyebut Nijjar sebagai target, sehingga menimbulkan isu tanggung jawab negara dalam hukum internasional. Oleh karena itu, dalam penulisan skripsi ini membahas tentang bagaimana pengaturan *extrajudicial killing* dalam hukum internasional? Dan bagaimana pertanggungjawaban negara terhadap tindakan *extrajudicial killing* dalam kasus pembunuhan Hardeep Singh Nijjar? Metode penelitian yang digunakan adalah metode penelitian hukum normatif dengan pendekatan perundang-undangan dan pendekatan kasus. Berdasarkan hasil penelitian ini dapat disimpulkan bahwa (1) Pengaturan terhadap larangan *extrajudicial killing* dalam hukum internasional terdapat pada: ICCPR 1966, *Principle on the Effective Prevention and Investigation of Extra-legal, Arbitrary, and Summary Executions* 1989, dan *The Minnesota Protocol on the Investigation of Potentially Unlawful Death* 2016. (2) Dugaan keterlibatan aktor non-negara dibawah arahan pejabat India berpotensi diatribusikan kepada negara, sehingga memenuhi unsur tanggung jawab negara menurut Pasal 2 ARSIWA 2001, serta atribusi dalam Pasal 4 dan 8 ARSIWA 2001. Apabila terbukti negara India terlibat dalam kasus ini, maka India wajib memberikan *full reparation* berupa *satisfaction*, seperti pengakuan pelanggaran atau permohonan maaf formal, sesuai dengan ketentuan Pasal 37 ARSIWA 2001.

## INDIAN STATES RESPONSIBILITY FOR ALLEGED EXTRAJUDICIAL KILLING IN THE HARDEEP SINGH NIJJAR CASE IN CANADA IN 2023

(Afifah Zhovira, 2010112168, Faculty of Law, University of Andalas, 87 Pages, 2026)

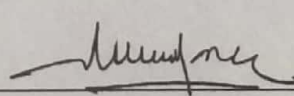

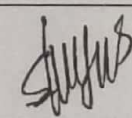

### ABSTRACT

The right to life is a fundamental and non-derogable right that must be guaranteed and protected by the state. A violation of this right occurred in the murder of Hardeep Singh Nijjar in Canada in 2023. Hardeep Singh Nijjar, a Canadian citizen and the head of the Sikh community in Canada, was shot dead by two Indian men in his pickup truck parked at the Gurdawara Temple in British Columbia, Canada. A Canadian police investigation has revealed that an Indian Government's was involved in the killing. Allegations of the Indian Government's involvement in this act, which could potentially qualify as an extrajudicial killing, are reinforced by the United State Dapertement of Justice's indictment document regarding the planned assassination of Sikh fugures in the US, which named Nijjar as a target, thus raising the issue of state responsibility under international law. Therefore, this thesis discusses how extrajudicial killing in regulated in international law? And how is the state responsibility for extrajudicial killing in the murder of Hardeep Singh Nijjar? The research method used is a normative legal research method with statute approach and case approach. Based on the result of this research, it can be concluded that (1) Regulation regarding the prohibition of extrajudicial killing in international law are found in: ICCPR 1966 (explained more detail in General Comment No. 36 Article 6), Pinciples on the Effective Prevention and investigation of Extra-legal, Arbitrary, and Summary Executions 1989, and The Minnesota Protocol on the Investigation of Potentially Unlawful Death 2016. (2) The alleged involvement of non-state actors under the direction of India officials has the potential to be attributed to the state, thus fulfilling the element of state responsibility according to Article 2 of the Article on Responsibility of States for Internationally Wrongful Acts (ARSIWA) 2001, as well as the attribution in Article 4 and 8 of ARSIWA 2001. If India is proven to be involved in this case, the India is obliged to provide full reparation in the form of satisfaction, such as an admission of violations or a formal apology, in accordance with the provisions of Article 37 of ARSIWA 2001.
